

BAY OF PLENTY SEASONAL WORK CALENDAR : 2023

The Bay of Plenty is well-named. Rich soils and a favourable climate, plus an almost unbroken arc of over 100 Km of white sand beaches means the 'BOP' as it's often called has thousands of horticulture businesses, with Kiwifruit, Avocados and Dairy dominant in most districts. But variety is the key - the excellent growing conditions and famous coastline helps the area to attract business and entrepreneurs of every kind. If you look hard you will find people growing almost everything.
