

GISBORNE SEASONAL WORK CALENDAR : 2023

While remote from our major centres, the Gisborne region is a spectacular geographical area with productive fishing, forestry and horticultural industries, and some of the most beautiful coastline in the country.

Seasonal worker demand may be lower than nearby Hawke’s Bay or Bay of Plenty but there is still ongoing work available, and the rewards of a stay in the region are many, particularly over the warmer months.

PLEASE NOTE: DATA FOR THIS REGION IS UNDER DEVELOPMENT
