

NELSON-MARLBOROUGH SEASONAL WORK CALENDAR : 2023

At the top of the South Island, the provinces of Nelson and Marlborough are world-renowned for their tourism and horticulture industries, being at the same time quite beautiful and highly productive. Tourism, Fishing, most fruit types, and our most famous wine - Marlborough Sauvignon Blanc all contribute to an area of great prosperity and strong casual worker demand. There is work available all year round, but the autumn harvest season from March until May or June is the time of greatest demand.
