

TARANAKI SEASONAL WORK CALENDAR : 2023

The Taranaki region is centered around the almost perfect volcanic cone of the mountain Taranaki - a feature so symmetric it has stood in for Japan's Mt. Fuji in more than one major movie. So as with almost all of Aotearoa New Zealand tourism is an important industry where casual worker demand is constant. Fertile volcanic soils and reliable rain support extensive beef and dairy farming - New Zealand's first major cheese factory and very first butter export (in 1885) both come from here, and it is a key supplier for our largest exporter, Fonterra. Taranaki is geographically distinct; it's a bit of a journey to get there - but the welcome and the quality of the environment doesn't disappoint.

INDUSTRY PAY RATE
AVOCADOS  \$21.20 - \$30.00
KIWI FRUIT  \$21.20 - \$30.00
